

Human Skills over Technical Prowess

The Genos Model of Emotional Intelligence, including the six core skills is as follows:

SOURCE: www.genosinternational.com/emotional-intelligence/

Reflect on the following 3 questions:

- For each of the 6 skills above where do you sit most of the time - right (productive state) or left (unproductive state) side ?
- Out of the 6 core skills above, which one are you most proud of, as a leader?
- Out of the 6 core skills above, which one do you need to develop further and what would be the benefit for your leadership?
